Healthy Vending Machines for Schools

Are you ready for the changes to Vending Machines in Schools?

Soon, the only vending machines allowed within schools will be those selling healthy products that conform with government legislation. Not all vending companies are flexible enough to offer these machines, or such a wide variety of healthy products.

Servicevend NW - Your local vending company - uses modern equipment to sell healthy drinks and snacks which conform to the new government standards.

Products Conform to Government Standards
A Healthy Alternative to Typical Cooler Brands
Products Supplied by Welsh Companies
Free Equipment & Services
Generous Rebates for all Sales

As a seasoned professional company, established over 15 years, we provide local, experienced engineers and operators giving a very high standard of service.

Contact Us:

Servicevend is a local, friendly, professional vending company. We would be pleased to advise you on all your vending requirements. For more details, please contact:

01286 674457 (Caernarfon)
01745 356555 (St Asaph)
